BUSINESS FOCUS GROUPS

The Pump Room, The Grand Pavilion, Matlock Bath

The students of the University of Derby cordially invite all businesses to attend this focus group. The purpose of the focus group is to get a better understanding of the needs of local businesses. With one collective voice, the community of Matlock Bath can come together in order to identify any barriers that inhibit the delivery of great tourism products and services. We aim to provide solutions that will help the development of Matlock Bath as a tourism destination.

UNIVERSITY OF DERBY

Students:
Ainsleigh Mcardle,
Seana Murphy,
Shannon Smyth
Rheann Kearton.
